In the past Korean society was sternly separated by social class. From the nobility to the common people, how much different in their life style? Noble man's mansion with 99 Kan, small and shabby house of the slaves, traditional market, traditional farmers dancing performance which makes the people dance with shoulder, this is the place with fun which can take you by time machine to the back of two century ago!! Also the famous traditional drama shooting place!!! On the way to the folk village, you will enjoy the beautiful suburb.
