Itinerary Hotel -Icheon Pottery - Han Chung Do Yo -Pottery Class – Lunch- Folk village – Hotel drop off

Conditions Admission, English-speaking guide, Motor coach, Lunch

Within a one-hour drive of Seoul, there is the Icheon Pottery Village. It was famous for the manufacture place of Chosun White Porcelain and today is an example of the Korean ceramic culture that so brilliantly flourished.

At this village, there are about 80 ceramic factories in close proximity, so visitors can not only see pottery being made, but they can try to make their own pottery on-site. It is also possible to purchase pottery.
