

Welcome to IVUS learning Center !

***We will lead all of you how to measure and classify lesion characters by using IVUS in their daily practice to make it more
 The trained technical proctors will welcome you to help !***

Learning Objectives

Upon visiting this IVUS learning center, the physician should be able to :

- * Integrate fundamental and technical principles of IVUS
- * Learn techniques for measuring and interpreting various IVUS parameters and findings
- * Learn effective operation of IVUS machine through hands on training
- * Learn optimal use of the clinical application of IVUS in diagnosis, evaluation and treatment in cardiovascular disease
- * iLab™ IVUS, Galaxy2 IVUS, Indec System are set

Wednesday, April 25

Time	Session	Topic	Presenter	Audience Level
10:00am - 10:30am	Expert Lecture	Intravascular Ultrasound Assessment of Lesion Severity	Dr. Gary S. Mintz, USA	All Level
11:00am - 1:00pm	Hands on & Practice	IVUS Catheter Setting Guide	Boston Scientific Korea	Basic to Intermediate
1:30pm - 2:00pm	Expert Lecture	IVUS Image Interpretation(1)-Basic and Plaque Composition	Dr. Hur Seung Ho, Korea	Basic to Intermediate
2:30pm - 5:00pm	Hands on & Practice	How to operate iLAB IVUS	Boston Scientific Korea	Basic to Intermediate

Thursday, April 26

Time	Session	Topic	Presenter	Audience Level
10:00am - 10:30am	Expert Lecture	Using IVUS for Accurate DES Size Selection and Placement	Dr. Alan C. Yeung, USA	All Level
11:00am - 1:00pm	Hands on & Practice	IVUS Catheter Setting Guide	Boston Scientific Korea	Basic to Intermediate
1:30pm - 2:00pm	Expert Lecture	IVUS Image Interpretation(2)-Pitfalls and Complications	Dr. Hong Myoung Ki, Korea	Intermediate to advanced
2:30pm - 5:00pm	Hands on & Practice	How to operate iLAB IVUS	Boston Scientific Korea	Basic to Intermediate

Friday, April 27

Time	Session	Topic	Presenter	Audience Level
10:00am - 10:30am	Expert Lecture	How to Use IVUS to Guide DES Stenting	Dr. Satoru Sumitsuji	All Level
11:00am - 12:30am	Hands on & Practice	IVUS Catheter Setting Guide	Boston Scientific Korea	Basic to Intermediate
