

About B. Braun Group

SHARING EXPERTISE

B. Braun is one of the world's leading manufacturers of medical devices and pharmaceutical products and services. With over 64,000 employees in 64 countries, B. Braun develops high quality product systems and services for users around the world.

Every service provided by B. Braun incorporates the entirety of our knowledge and skills, the company's deep understanding of users' needs - and 179 years of extensive expertise. With its constantly growing portfolio of effective medical care solutions, B. Braun makes a substantial contribution towards protecting and improving people's health.

In developing its products, product systems and services, B. Braun acts like a sparring partner. A companion who knows their counterpart. Who wants to do the best for them. A companion who promotes developments through constructive dialog and the motivation to improve things. And enables solutions that are both evolving and progressive.
